## Village Board

The Village Board of Trustees is both delighted and excited to learn that the Chamber of Commerce is developing a community newsletter. Unmistakably, communication is a key element of success for any and all organizations and relationships.

Your inquiry as to "what we stand for" can be condensed into a statement that Village Government exists and strives for "serving the citizens of our Village in a fiscally responsible and considerate manner, providing needed

Services while attempting to keep the tax burden as affordable as is feasible. We develop and enforce codes to protect our citizens and enforce them to keep peace and growth in the forefront."

We encourage involvement and participation in our activities, and welcome interested parties to attend our monthly meetings on the 3<sup>rd</sup> Tuesday of the month at 6:30 p.m. at the Village office, 33 West Main Street. We look forward to providing more information in your future newsletters.

Mayor Darling

## **Town Board**

There are several items on the list of improvements for the Town of Bainbridge. Plans are underway to upgrade General Clinton Park including remodeling the bathrooms and making them handicapped accessible as well as upgrading the electrical system for campers.

The Community Foundation is purchasing new playground equipment for General Clinton Park and adding new equipment at William Payne Memorial Park by the Town Pool.

Dolores Nabinger, Supervisor

## **Jericho Garden Club**

The Jericho Garden Club of Bainbridge helps to beautify the Village of Bainbridge by planting flowers in the barrels on the village streets, as well as in the baskets in the Village Park. The Club designed and created, with the help of the Village workers, a Memorial Peace Garden in the Village Park. Flowers were also planted at the roundabout and the planters at the museum and fire department.

The Club also embellished the signs at the entrance to the Village, in cooperation with the Bainbridge Rotary Club. The Garden Club helped build raised garden beds and roofs over the signs, filled them with soil, and planted flowers and shrubs.

Members of the Garden Club also created the Deanna Murray Memorial Garden at the West Main St. sign, purchased banners and hardware for bridge poles, established community gardens, and planted a dogwood tree in the Village Park in memory of Teddy Cherniak. The Club also brought the neglected Greenlawn Cemetery fountain to the attention of the Bainbridge Chamber of Commerce which assured that it was moved, painted and placed in working order.

Experienced or new gardeners can take part in projects to beautify the Village, meet new friends and participate in activities that enhance the skills of those who love to garden. The Club members meet on the second Monday of each month. For more information, feel free to contact Co-Chairs, Cindy Salak at 967-4748 or June White at 967-8657

## **New Beginnings Thrift Shop**

This is a wonderful thrift shop run as a mission project for the Presbyterian Church in Bainbridge. We have a full line of clothing for men, women, and children, all VERY reasonably priced and in good condition. We also have a lot of housewares, kitchen items and bedding. Everything is done through volunteers and proceeds stay in Bainbridge and surrounding towns.

Last year was our first full year to be open. In that time we assisted six fire families, and many families in need of food and clothing. In January and February we gave away 140 winter coats, many hats, scarves and gloves as a goodwill gesture. A big Thank You to everyone who donated these items.

We are located in the basement of the Presbyterian Church in Bainbridge. Our hours are currently from 10:00 to 1:00 on Thursday and Saturday. Hours will change when the weather improves. For information on donating or participating in any way, call Carol Roberts, Manager, 967-5687.

## **Rotary Club**

The Rotary Club of Bainbridge held a second successful "Shrimp Lover's Special" in February and is gearing up for an exciting spring season.

As warm weather approaches, the Rotary Club will be teaming up with the Bainbridge Historical Society to restore the façade of the Museum with the help of a grant from the Rotary Foundation

Our annual bike safety program and Bike-a-Thon will take place in May to raise funds for improving recreation at General Clinton Park. Information will become available to any interested students as the event draws closer. You can also look for the Bainbridge Rotary Club ice cream booth at the General Clinton Canoe Regatta again this year.

We are grateful for the continued support of our community and our youth exchange host families who have welcomed our exchange students, Jean and Lizzie, into their homes. If you are interested in the wonderful and rewarding experience of becoming host parents, please contact the Bainbridge Rotary Club by emailing Robin Haddad at [haddadgv@frontiernet.net](mailto:haddadgv@frontiernet.net).

## **Bainbridge Historical Society**

The Bainbridge Historical Society joins together interested persons to collect, document, preserve, display, and research artifacts, memorabilia, and representations of local history. We have three exciting programs scheduled in the following months to enhance those goals of our Mission Statement.

The public is encouraged to attend our meetings and new members are always welcome! We will be opening the Museums on Sunday from 2 to 4 starting April 12<sup>th</sup>.

On April 2<sup>nd</sup> Sharon Donahe is presenting a program on "Graveyard Anthology" telling us more stories about the people buried in our local cemeteries.

Tuesday, May 12<sup>th</sup> Chuck D'Imperio is once again visiting our Society meeting to share some stories from his new book "A Taste of Upstate New York". Hansmann's Mills pancake flour is one of those tastes he will highlight.

On Saturday, May 23<sup>rd</sup> we will be holding an indoor yard sale – donations and buyers are both welcome!

Saturday, June 6<sup>th</sup>, some of our members are going to take on the personage of some of our past local leaders and present a program at St. Peter's Graveyard entitled "The Streets Where You Live". Be on the lookout for more information about this.

We are most appreciative of the work Rotary has done to improve the outside of our building and we look forward to having more work done on our facade this spring.

We are excited to have Amanda Sterling, a 2010 BG graduate and a Master's candidate at Syracuse University working with us this summer on several projects.

The purpose is to support local activities, schools, and fund raising events. We give dictionaries to the top girl and boy graduating each year. We contribute to cancer fund drives, Community Chest, scouts, and local Christmas presents to a local boy and a girl each year. If a member of our organization passes away, we donate a book to the library in her name, about a subject in which she was particularly interested.

Our meetings are held on the 2nd Wednesday of the month at 2:00 at the fellowship hall in the Presbyterian Church. For information, you can call Carol Roberts, President, 967-5687

## Jericho Arts Council

### “Canoe Paddle” Chair Event

The General Clinton Canoe Regatta Finish Line and celebration has been held in Bainbridge, NY for the past 52 years. Starting in Cooperstown, it is the longest flat-water canoe race in the world. The event draws people from all over the US and Canada. The Regatta is a full weekend of canoeing, contests, fair rides, entertainment, and fun, drawing close to 15,000 local attendees and tourists. The Jericho Arts Council of Bainbridge, wants to make the Regatta even better! We will be offering local artists a chance to become involved and to bring art to the streets and to the public.

Historically, the Arts have been a way of telling stories, translating emotions and inspiring creativity and original thinking. Each artist or group of artists will be given a custom designed, Adirondack chair that features a canoe paddle for the back. It is suitable for outdoor display and use. Artists will decorate or paint the “Paddle Chair Sculptures” to commemorate the Canoe Regatta and aspects of local history, culture, business, architecture, environment, or arts of Bainbridge.

High School students will be invited to submit designs for a chair and their art teacher is willing to work with them on creating the finished pieces.

Also, we are coordinating with local art teachers to involve children K to 8 with a Regatta or Bainbridge themed drawing to be exhibited in windows of merchants in Bainbridge.

These artful chairs will be displayed along Main Street from town center to General Clinton Park and near the bridge entering Bainbridge during the month of May.

On May 2<sup>nd</sup> the JAC will host “Meet the Artists” events where the designers will be on hand to talk about their work and meet potential new clients!

On Memorial Day, May 25<sup>th</sup>, following the program at the Village Park, the chairs will be auctioned off to benefit the Jericho Arts Council in their mission to encourage cultural awareness through creativity and art.

**Julia VanDenburgh**

Julia VanDenburgh just celebrated her 100<sup>th</sup> Birthday on March 5<sup>th</sup>. She is a Bainbridge High School and Hartwick College graduate. In college she majored in mathematics and had hoped to become a math teacher but that was not to be.

She was an employee for 25 years at American Plastics where she became an executive secretary. She worked for 10 years at the Tri-Town Agency. Finally she worked at the NYS Department of Labor in Norwich where she was responsible for establishing Chenango County's Home Energy Assistance Program.

In 1953 she married Kenneth, a high school classmate. He ran the garage near Pathfinder Park and sold and serviced International Trucks. He died in 1983.

Julia and Kenneth were very involved with the Masons in Bainbridge. Julia was instrumental in forming the Order of the Amaranth here.

The Methodist Church was a large part of Julia's life. She taught Sunday School, led Bible studies, read scripture at services, and volunteered for many other church activities.

Julia now resides at Hampshire House in Oneonta.

**Frank Doolittle**

Frank Doolittle celebrated his 101<sup>st</sup> birthday last October 8<sup>th</sup>. He was born in Enfield, NY and is a 1933 graduate of Bainbridge High School.

Starting part time he worked for several years at the lumber yard in Sidney. In 1950 he became the owner of Tri-Co Handle and Lumber and moved the operation to Bainbridge. In the following years the company made handles, moldings, and other lumber products that were sold world-wide. The business was sold in 1972 and Frank worked for Tex-Gas for another 10 years.

Frank and Wilma were married in 1938. During WWII Frank was involved with the Civil Air Patrol at the Sidney Airport.

Frank and Wilma wintered in Florida for 28 years where Frank was kept busy with community activities. Wilma died in 2006.

He is a life-long member of the Presbyterian Church, a Mason for 70 years, a strong supporter of Boy Scouts, and a valued member of the Bainbridge Historical Society.

Frank now lives in his home on Kirby Street with friends, neighbors, and family keeping a close eye on him.
